The Business Continuity Professionals of the Carolinas (BCPC) is the Carolina's leading non-profit association, comprised of professionals who are responsible for or have an interest in business continuity, preventing disasters, providing disaster recovery information and facilitating the resumption of normal business activities following a major disaster. Members of the BCPC represent business, industry, and government organizations at all levels. Included are executives, administrators, managers, directors, writers, legal staff, accountants, engineers, sales-persons, records managers, archivists, and many more professionals.
